

Lorin Warranty Fact Sheet

- A standard (12) month Surface Warranty applies on all Lorin[®] products for one year from date of shipment.
- Upon reaching the 12-month warranty mark and applying for and being accepted, Lorin[®] offers an extended 20-year Surface, 20-year Color Fade, or Class I & II 70-year Surface and 50-year Color Fade warranty addendums.
- Only direct customers can apply for a product warranty, in the event a Lorin[®] product is purchased through a distributor, the distributor will need to request the warranty.
- Extended Warranties are only available on products greater than .250 mil film thickness and need to be applied for within 12 months of delivered product.
- 425 mil film thickness requires cleaning every other year in order to maintain warranty guidelines.
- An extended 20 Year Color Fade Warranty is offered in conjunction or separately with the extended 20 Year Surface Warranty.
- Lorin[®] Golds, Medium Antique Copper, and Copper Penny products with .425 mil film or higher are only eligible for a 20 Year Color Fade Warranty.
- For package orders only, Lorin[®] products covered under the extended warranty, includes the replacement of the aluminum.
